

## OPERATION CARE CONFIDENTIALITY AGREEMENT

Operation Care believes that to provide quality services, the client's right to privacy shall be considered paramount and shall be assured to the greatest possible extent. Therefore, all interactions with clients will be considered confidential and privileged.

Disclosing the client's name, address, services received, and/or personal history is forbidden unless expressly allowed by the client, in writing. The Safe House is a federally protected facility. Disclosing the location of the Safe House is considered a felony and punishable by law.
