

## Decide to End Sexual Violence!

Join us as we endeavor to build healthy  
respectful relationships and communities

**“I listened to  
her when she  
said no, and we  
still had a good  
time!”**

Healthy relationships  
begin with respect.

If someone says no,  
respect their wishes.

### **NO means NO!**

Sexual assault is  
defined as forced  
sexual intercourse against  
a person's will.

If you are a victim,  
seek help.
